### HG limescale remover for coloured sanitary ware

- suitable for all colours
- removes soap scum and dirt too
- patent pending

Ideal for coloured sanitary ware, including taps, basins, shower cubicles, baths or toilets.

**Tip:** Try it in an inconspicuous place first. If you reuse the bottle, rinse the spray head with hot water first.

**Do not use on:** metals with a colour achieved by oxidation, such as brass patina, and calciferous natural stone (such as marble and granite), and surfaces that are not resistant to acids.
