## HG eco hob cleaner

- Packaging made of 100% recyclable materials.
- **FREE FROM** preservatives, phosphates, phosphonates and microplastics.

*HG eco hob cleaner* quickly and easily removes day-to-day dirt, such as grease, cooking liquids, and mild limescale. For a beautiful shiny cooktop!

*HG eco hob cleaner* is a sustainable cleaner. HG eco products are free from preservatives, phosphates, phosphonates, colourings and microplastics. Ingredients such as allergens, parabens and chlorine are also excluded from the HG eco range. Packaging made of 100% recyclable materials. In brief: HG eco products are sustainable products, but with the familiar HG performance and effectiveness!

**Instructions:** Turn the nozzle on the front a quarter turn. Spray *HG eco hob cleaner* a few times on the hob and leave it to work for a few minutes. Wipe off with a damp cloth and then rub the surface dry with a clean cloth or kitchen paper. Turn the nozzle a quarter turn after use (OFF).
