HG copper cleaner

- also for brass and bronze
- ideal for large and/or difficult to polish objects
- odourless
- does not scratch
- based on natural materials

Cleaning large objects, such as umbrella boxes etc. and copper objects with difficult to reach places is a long, boring job. But now no longer with *HG copper cleaner*. Apply a little *HG copper cleaner* to a sponge and rub over the object to remove the dirt in no time.

Instructions for use:

Shake the bottle well before use. Apply a little *HG copper cleaner* to a damp sponge. Then lather the surface thoroughly and rinse off with cold water. Next, carefully dry the cleaned surface. Then rub the surface lightly with a soft, lint-free cloth, preferably *HG polish cloth*.
