HG drain cleaner sticks

Active 4-in-1 protection:

- easy to use
- prevents blockage
- eliminates odours
- safe for pipes

In the drain, the *HG drain cleaner stick* gradually releases natural enzymes that breaks down grease and food residues. The biodegradable sticks contain zero microplastics, they dissolve completely and are safe for the drains.

Shelf life: 7 years from the date of production in closed packaging. See date of production on the blister in front (YY/MM)

Medical personnel can request the data sheet via +31 36 54 94 777

The consumer's information sheet can be obtained via www.HG.eu

Use 1 stick per month by placing it down the plughole to sit in the u bend of the pipe and get to work.

Repeat every month to maintain free flowing and clean smelling drains. Use more frequently than once a month, if required.

contains a.o.:

soap

>30%

enzymes; preservation agents: 2-phenoxyethanol
