# HG tile cleaner shine restorer (product 17)

- sufficient for mopping 20 times

*HG tile cleaner shine restorer* is a freshly scented, concentrated mopping cleaner with shine restorer, especially developed for cleaning both porous and non-porous floor tiles, flagstones and non-calciferous natural stone. This product also enhances the colour and structure of the tiles.

1 litre is sufficient for 20 washes.

## Directions:

### For regular cleaning:

Dissolve 50 ml (half a cup) in half a bucket (5L) of lukewarm water. Then clean the floor with a wrung-out mop or floor cloth, regularly rinsing it in the cleaning solution. Do not rinse or mop dry, simply leave the floor to dry on its own.

### For intensive soiling or to remove the gloss coating of this product:

See the HG floor tile treating matrix on the side of this bottle.
