HG bathroom cleaner all surfaces

- even removes light limescale
- works quickly and easily
- every-day cleaner
- also suitable for marble and other calciferous natural stone

HG bathroom cleaner all surfaces is a mild every day cleaner for washbasins, (synthetic) shower cubicles and tile walls. It quickly and easily removes light limescale, body grease and soap residues. Can also be used on taps and other sanitaryware as well as on marble, travertine, other calcareous natural stone, granite and concrete.

Directions for use:

Turn the nozzle on the front side a quarter. Simply spray *HG bathroom cleaner all surfaces* on the surface. Leave for a short while (wipe with a sponge if desired) and rinse. Preferably dry with a cloth, a window-wiper or a leather. Turn the nozzle a quarter after use (OFF). To remove severe limescale *HG limescale remover concentrate* or *HG limescale remover foam spray* is recommended.
