500 ml e

HG toilet cleaner gel hygienic

- produces a sparkling result
- freshly scented cleaning and descaling gel

HG toilet cleaner gel hygienic is a powerful cleaning and descaling gel for regular toilet cleaning. The special composition of this product removes dirt and limescale, creates a beautiful, shiny result, and produces a wonderful, long-lasting fresh fragrance.

Directions for use: Squeeze the sides of the lid and simultaneously turn the lid to open. Spray *HG toilet cleaner gel hygienic* under the rim of the toilet bowl. Leave the gel to work at least 10 minutes and brush the toilet bowl clean with a toilet brush. Finally flush the toilet.

Attention: Transport and store the bottle upright. Prevent contact with marble and other chalky surfaces. *HG toilet cleaner gel hygienic* is also suitable for use in septic tanks.
