# Power gel brush limescale remover

Up to 100% limescale  
removal

Powerful clean, shine like new

## HG power gel brush limescale remover

- powerful, highly adhesive gel formula
- with a brush for precise and controlled application
- easy to use

With its powerful, highly adhesive gel formula, *HG power gel brush limescale remover* thoroughly removes stubborn limescale, including from vertical surfaces. The built-in brush head makes controlled and accurate application extremely easy.

**Attention: Transport and store the bottle upright.** Wear protective gloves. Besides the familiar silver-coloured sanitary ware (made of chrome), there is now also sanitary ware of different colours that is not acid-resistant. Before using this product, check the manufacturer's maintenance instructions for the sanitary ware. Do not apply this product to aluminium, silver, marble and other calcareous natural stones, enamel, linoleum, rubber, household appliances, acid-sensitive or heated surfaces.

Medical personnel can request the data sheet via +31 36 54 94 777

The consumer's information sheet can be obtained via [www.HG.eu](http://www.HG.eu)
