## HG eco sanitary area cleaner

- Packaging made of 100% recyclable materials.
- **FREE FROM** preservatives, phosphates, phosphonates, colourings and microplastics.

*HG eco sanitary area cleaner* is a deliciously freshly scented cleaner for hygienic and easy daily cleaning of all surfaces in the toilet area, including the seat, the outside of the bowl, the cistern, the washbasin, the tap and even the door handle. For maximum hygienic and clean results!

*HG eco sanitary area cleaner* is a sustainable cleaner. HG eco products are free from preservatives, phosphates, phosphonates, colourings and microplastics. Ingredients such as allergens, parabens and chlorine are also excluded from the HG eco range. Packaging made of 100% recyclable materials. In brief: HG eco products are sustainable products, but with the familiar HG performance and effectiveness!

**Instructions:** Turn the nozzle on the front a quarter turn. Spray *HG eco sanitary area cleaner* directly onto the surface and leave it to work briefly. Then wipe off the surface with toilet paper or a clean, dry cloth. Turn the nozzle a quarter turn after use (OFF).
