KITCHEN

hob cleaner

for all types of hobs

500 ml e

HG hob cleaner

- for all types of hobs
- removes daily grime easily
- suitable for ceramic hobs, induction, gas hobs and glass hobs

A fresh-smelling everyday cleaner for all types of ceramic, induction and halogen hobs. Easily removes everyday dirt such as grease, water marks and light limescale

Directions for use: Turn the nozzle on the front side a quarter. Spray *HG hob cleaner* onto the hob to be treated a number of times and briefly allow to soak in. Remove with a damp cloth and then rub dry with a clean tea towel or kitchen roll. Turn the nozzle a quarter after use (OFF). For more stubborn and dried-on stains on ceramic and halogen hobs we recommend the use of *HG hob cleaner extra strong*.
