CAR UPHOLSTERY CLEANER

with dirt-repellent
effect

500 ml e

HG car upholstery cleaner

- with dirt-repellent effect
- for car, boat and caravan

HG car upholstery cleaner has been especially developed to clean textile upholstery in cars, boats and caravans.

Directions for use: Turn the nozzle on the front side a quarter. Spray the surface and then wipe off and rub dry using a clean, absorbent cloth, preferably flannel or kitchen roll. For extremely grimy upholstery spray the surface and scrub it with a soft brush, leave to penetrate for a few minutes and then rub dry. This can be repeated several times without any risk in order to clean stubborn stains. Turn the nozzle a quarter after use (OFF).

contains a.o.:

non-ionic surfactants, anionic surfactants, oxygen-based bleaching agents	< 5%
---	------

preservation agents: methylchloroisothiazolinone and Methylisothiazolinone, benzisothiazolinone; perfumes

Attention: Transport and store the bottle upright. *HG car upholstery cleaner* is only suitable for textile upholstery. Always start by testing the upholstery for colour-fastness: rub a cloth dampened with *HG car upholstery cleaner* over an inconspicuous part of the upholstery. Do not mix with chlorine/chlorine-bleach. Do not spray onto metal. Store upright in a cool and dry place.
