# WOODEN FURNITURE CLEANER

provides extra shine

## HG wooden furniture cleaner

- provides extra shine
- dust, scratches and stains disappear
- nourishes wood with natural oils

*HG wooden furniture cleaner* cleans all solid wood or veneered wooden surfaces coated with lacquer, oil, paint, wax or stain, as well as synthetic surfaces very quickly and easily and imparts a beautiful gloss. *HG wooden furniture cleaner* also protects against stains and fingerprints. Surfaces coated with wax or oil are fed by the natural oils present in the product.

**Directions for use:** Shake well before use. Spray *HG wooden furniture cleaner* on the surface at a distance of approximately 20 cm and rub with a lint-free cloth. For smaller surfaces, the spray can be applied on the cloth first. Rub the surface a little longer for a stronger and deeper shine.

contains a.o.:	
aliphatic hydrocarbons	> 30%
perfumes

**Attention: Store in a dry place to prevent rust formation on the can.** Rust formation can impair the strength of the can. Should the can start to become rusty, we recommend handing it in to a waste-collection point. Do not apply the product on untreated wood or damaged lacquer. When treating surfaces with coloured beeswaxes, always apply *HG wooden furniture cleaner* on a cloth; never spray directly on the surface. When treating old or antique surfaces, always test *HG wooden furniture cleaner* on an inconspicuous area first.
