stain remover

with dirt-repellent
effect

500 ml e

HG stain remover

• with dirt-repellent effect

HG stain remover has been specially developed to remove stains and to clean soiled surfaces. Also gives a dirt-repellent action after use.

Directions for use: Turn the nozzle on the front side a quarter. Spray on the surface to be cleaned. Wipe up the dirt with a clean cloth or kitchen roll and dab the surface dry. Depending on the degree of soiling, repeat the treatment. Turn the nozzle a quarter after use (OFF).

Attention: Transport and store the bottle upright. *HG stain remover* is only suitable for cloth upholstery. In all cases test an inconspicuous area for the colour-fastness of the carpet or upholstery before use by wiping a cloth dampened with *HG stain remover* on the surface to be cleaned. Use a brush on synthetic carpets. Keep in a frost-free area. 1,19% of the mixture consists of component(s) of unknown toxicity.
