Floor glue remover

Removes stubborn glue fast

Extra strong formula, instant results

750 ml

HG floor glue remover

- works extremely fast
- suitable for nearly all surfaces

HG floor glue remover is an extra strong and super-fast working glue remover, suitable for removing the most stubborn glue remains such as:

Both solvent and water based glues, Glues for carpets, linoleum, vinyl and PVC, Glues for wooden or cork floors, floor tiles, and other wall and floor coverings, Fix and mounting glue.

HG floor glue remover can be applied to nearly all surfaces.

Directions for use:

1. First test *HG floor glue remover* on a small and inconspicuous area of the surface.
2. Cut carpet etc. into strips and roll up.
3. Floor covering that does not come loose should first be perforated using a pricking roller or a similar tool. The floor glue remover must be able to penetrate well into glue layer in order to remove it.
4. Remaining glue should be well covered with *HG floor glue remover* using a brush.
5. After 10-15 minutes scrape off the glue using a filling knife.
6. Repeat the treatment, if necessary, allowing more time to work.
7. Finally, rinse the surface with water and allow it to dry before applying a new wall or floor covering.

Coverage: 0.5-1.0 litre per m² (depending on the glue layer and the surface)
