## STAINLESS STEEL CLEANER

guaranteed streak-free

### HG stainless-steel cleaner

- guaranteed streak-free
- removes grease, dirt, and fingerprints
- contains special protective components

*HG stainless-steel cleaner* is a powerful professional cleaner that removes grease, dirt and fingerprints from stainless steel, chrome and aluminium quickly, easily and without streaks. This product is ideal for hobs, splash backs, cooker hoods, fridges, microwaves, etc. *HG stainless-steel cleaner* also provides an invisible protective layer, which makes it even easier to remove new layers of dirt.

#### Instructions:

Hot surfaces, such as hobs and splash backs, should always be left to cool before cleaning. Shake well before use. Spray an even mist from a distance of approx. 20 cm onto the surface or apply *HG stainless-steel cleaner* by spraying it onto a soft clean cloth.

Clean the surface and polish it with a soft clean cloth or tissue. Do not use *HG stainless-steel cleaner* on surfaces that come into direct contact with food products.

#### Tip:

Use *HG stainless steel protector* for a stronger and deeper shine.
