HG stain away 4

for a.o. blood, milk and sauce

This product is also suitable for stains caused by gravy, spices, egg white, chocolate, mayonnaise, cream and other fluids from wounds.

Directions for use: Test a small inconspicuous part of the material beforehand to check that it is colour-fast. Dissolve the contents of a bottle in one litre of hot water (note the washing instructions for the garment). Immerse the stain and allow it to work in for about 30 minutes. Then rinse well with hot water. Repeat the treatment if necessary. **Attention: Transport and store the bottle upright.** • Medical personnel can request the data sheet via +31 36 54 94 777 • The consumer's information sheet can be obtained via www.HG.eu
