# Car wheel rim cleaner

Instantly sparkling clean results

Rims look renewed

Ideal as a pre-treatment for car washes

500 ml e

## HG car wheel rim cleaner

- safe for every type of rim
- for shiny clean rims
- also ideal as pre-treatment for the car wash

**HG car wheel rim cleaner** easily removes stubborn dirt, grease, brake fluid and grease from car wheels. It can also be used for plastic wheel caps.

**TIP:**

**HG car wheel rim cleaner** is also ideal as a pre-treatment before going through a car wash.

**Directions for use:** Remove the locking clip before use. Press the nozzle at the front side and turn a quarter. Spray the wheels and leave the product to penetrate for 1 minute. Then loosen the dirt with a brush. Wipe off the dirt and rinse well with (preferably) warm water. Turn the nozzle a quarter backwards after use (blocking position).

**Transport and store the bottle upright.**
