## GARDEN FURNITURE CLEANER

extremely powerful

### HG garden furniture cleaner

- extremely powerful
- for all types of garden furniture

**HG garden furniture cleaner** effortlessly removes stubborn stains from plastic, aluminium, woven cane (look), pulp cane, polywood and metal garden furniture, as well as from epoxy, galvanised and most other (combinations of) materials.

**Directions for use:** Turn the nozzle on the front side a quarter. Spray the surface area to be cleaned and leave to soak for one to two minutes. Remove dirt with a cloth or kitchen roll. For very stubborn stains, leave to soak a little longer. Remove dirt with a brush or a pad and rinse. Turn the nozzle a quarter after use (OFF).

**Attention: Transport and store the bottle upright.** For weathered plastic furniture we recommend *HG plastic garden furniture restorer*. For maintenance of your (hard) wood garden furniture, please refer to our extensive product range for hardwood products.
